

## Together, moving education forward.

---

Join us for the launch of a five-year plan to take education in Utah to the top ten in the nation. A series of fast-paced presentations will capture many of the best ideas for improving education outcomes. Leaders in business, state government and education, along with parents and other stakeholders, will gather to chart our way forward.

**October 28, 2014**

**8:30 am – 2:30 pm**

**Grand America | 555 S Main Street | Salt Lake City**

RSVP required.
